

# AutoSPLITTER

## Standard Nut Splitter

- Cuts through the hardest of nuts -- quickly & safely
- Cuts more nut sizes per models than competitors
- Precision, re-sharpenable chisel cuts only the nut
- Perform dozens of cuts before chisel needs sharpening
- Double-cutting & Angle Head models also available

Duo/Trio Kits	Model	Stud Diameter inches (metric)	Nut Size ATF inches (mm)	A inches (mm)	B inches (mm)	C inches (mm)	D inches (mm)	E inches (mm)	F inches (mm)	Weight lb. (kg)
